

RESEARCH TALENT PITCH BATTLE

Danish Sound Day 2017, May 18

Folkets Hus - Struer

Are you a Master, PhD or Postdoc doing sound related research at a Danish university? Then join the Danish Sound Research Talent Pitch Battle and present your research to leading industry, researchers, investors and organizations of the Danish Sound ecosystem.

Submit a nomination statement (max. 2 pages) including:

- Name, institution, and contact info.
- Relevance & identification: Describe the problem and context of your research (e.g. relation to societal challenges).
- Impact & consequences: Describe the overall hypothesis, specific problems addressed as well as striking results.
- A relevant figure or illustration.
- A few scientific references.

Submit to: info@danishsound.org

Subject: "Danish Sound Research Talent 2017"

Deadline: April 24, 2017

Process

- Based on the nomination statements, 3 candidates are invited to pitch.
- The 3 finalists get travel costs, Gold Member Assembly dinner, and hotel accommodation covered.
- Each finalist gets 5 minutes to pitch during Danish Sound Day 2017 on May 18.
- A jury selects the winner of the Danish Sound Research Talent Award 2016.
- Besides the honour the winner receives a travel grant* worth 8.000kr.
